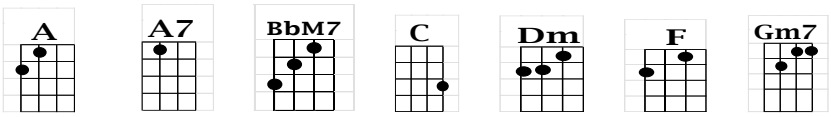
I Will Survive



Dm/ Gm7/
At first I was afraid, I was petrified
C/ F/
Kept thinking I could never live without you by my side
BbM7/ Gm7/
But then I spent so many nights thinking how you did me wrong
A/ A7/
I grew strong And I learned how to get along

Dm Gm7
So now you're back from outer space
C F
I just walked in to find you here with that sad look upon your face
BbM7
I should've changed that stupid lock
Gm7
I should have made you leave your key
A A7
If I'd known for just one second you'd be back to bother me

Dm Gm7 C
Go on now, go, walk out the door Just turn a-round now
F
'Cause you're not welcome anymore
BbM7 Gm7
Weren't you the one who tried to hurt me with goodbye
A A7
Think I'd crumble? You think I'd lay down and die?

I Will Survive – pg. 2

Dm Gm7
Oh no, not I, I will sur-vive
C F
Oh as long as I know how to love, I know I'll stay alive
BbM7 Gm7
I've got all my life to live I've got all my love to give
A A7
I'll sur-vive I will sur-vive Hey Hey
