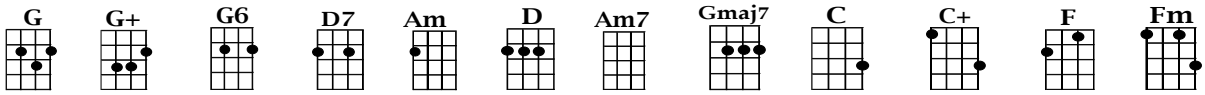
KIND OF A DRAG



INTRO: G//// G+//// G6//// D7/ TACET

```
            Am// D//  Am7                D                Gmaj7////  G6//
Kind of a dra  -  ag          When your baby don't love you
            Am// D//  Am7                D                Gmaj7////
Kind of a dra  -  ag          When you know she's been untrue
G                  C////   C+                          C////  /
   Whoa oh oh, listen          to what I've gotta to say
              F      ////  //                Fm  ////  //
Girl, I still love you        I'll always love you
      C      Bb        C      Bb        C      G/    TACET
Any-way,       any-way,       any-way
```

```
            Am// D//  Am7                D                Gmaj7////  G6//
Kind of a drag                When your baby says good-bye
            Am// D//  Am7                D                    Gmaj7////
Kind of a drag                When you feel like you want to cry
G                C////   C+                              C////  /
Whoa oh oh girl,             though you make me feel blue
           F      ////  //                Fm   ////  //
I-I-I still love you         I'll always love you
      C      Bb        C      Bb        C      G/    TACET
Any-way,       any-way,       any-way
```
