INTRO: Am/C                      D7                      G/// Em/// Am/// D///  
**The lovers, the dreamers and me**

G                      Em                      Am/C                      D  
Why are there so many songs about rainbows  
G                                      Em      C      D      G                                      Em  
And what's on the other side      Rainbows are visions  
Am/C                      D                                      G                                      Em                      C  
They're only illusions      And rainbows have nothing to hide  
C  
So we've been told and some chose to believe it  
Bm  
But I know they're wrong wait and see

Am/C                      D                                      Bm                      E7  
Someday we'll find it      The Rainbow Connection  
Am/C                                      D7                                      G///      Em///      Am///      D///  
The lovers, the dreamers and me

G                                      Em                                      Am/C                                      D  
Who said that every wish would be heard and answered  
                                    G                                      Em                                      C      D      G                                      Em  
When wished on the morning star      Somebody thought of that  
Am/C                                      D                                      G                                      Em                      C  
And someone believed it      And look what it's done so far  
C  
What's so amazing      That keeps us star gazing  
Dm  
What do we think we might see

Am/C                                      D                                      Bm                      E7  
Someday we'll find it      The Rainbow Connection

## Rainbow Connection - pg. 2

G                    Em                    Am/C                    D  
Have you been fast asleep And have you heard voices,  
G                    Em                    C                    D                    G                    Em                    Am/C  
I've heard them calling my name                    Is this the sweet sound that calls  
D                    G                    Em                    C  
The young sailors                    The voice might be one and the same  
C  
I've heard it too many times to ignore it  
Bm  
It's something that I'm supposed to be

Am/C                    D                    Bm                    E7
