INTRO: G//// F//// G//// F////

G  
Love is but a song to sing F//// ////  
Fear's the way we die

G  
You can make the mountains ring F//// ////  
Or make the angels cry

G  
Though the bird is on the wing F//// ////  
And you may not know why

C D  
Come on people now Smile on your brother  
G C D G //// ////  
Everybody get together Try to love one another Right now

G F//// ////  
Some may come and some may go We shall surely pass  
G F//// ////  
When the one that left us here Returns for us at last  
G F//// ////  
We are but a moment's sunlight Fading in the grass

C D  
Come on people now Smile on your brother  
G C D G //// ////  
Everybody get together Try to love one another Right now

C D  
Come on people now Smile on your brother

Everybody get together Try to love one another Right now
