Old worn out suit and shoes,

I'm a   man of means by no means,   king of the road.

                          G
I know every engineer on every train,
A7   D
All of their children and all of their names
                          G
And every handout in every town
       A7
And every lock that ain't locked when no one's around

I sing…….
