[F] Such a feelin's [C] comin' [Bb] over [F] me  
There is [Am] wonder in most [Gm] every[C]thing I [F] see  
[C7]

Not a [Bb] cloud in the [C] sky, got the [Am] sun in my [D7]  
eyes

And I [Gm] won't be sur[Bb]prised if it's a [C7] dream

[F] Everything I [C] want the [Bb] world to [F] be  
Is now [Am] comin' true e[Gm]specia[C]lly for [F] me [C7]  
And the [Bb] reason is [C] clear, it's be [Am]cause you are [D7]  
near

You're the [Gm] nearest thing to [Bb] Heaven that I've [C7] seen

[null] I'm on the [F] top of the world lookin' [Bb] down on  
creation

And the [F] only explan[Gm]ation [C] I can [F] find [F7]  
Is the [Bb] love that I've [C7] found ever [F] since you've been  
a-[Bb]round

Your love's [F] put me at the [Gm] top [C] of the [F] world

[F] Something in the [C] wind has [Bb] learned my [F] name  
And it's [Am] tellin' me that [Gm] things are [C] not the [F] same  
In the [Bb] leaves on the [C] trees and the [Am] touch of the [D7] breeze  
There's a [Gm] pleasin' sense of [Bb] happiness for [C7] me

[F] There is only [C] one wish [Bb] on my [F] mind  
When this [Am] day is through I [Gm] hope that I will [F] find  
That to-[Bb]morrow will [C] be just the [Am] same for you and [D7] me  
All I [Gm] need will be [Bb] mine if you are [C7] here

[null] I'm on the [F] top of the world lookin' [Bb] down on creation  
And the [F] only explan[Gm]ation [C] I can [F] find [F7]  
Is the [Bb] love that I've [C7] found ever [F] since you've been a-[Bb]round  
Your love's [F] put me at the [Gm] top [C] of the [F] world

[null] I'm on the [F] top of the world lookin' [Bb] down on creation  
And the [F] only explan[Gm]ation [C] I can [F] find [F7]  
Is the [Bb] love that I've [C7] found ever [F] since you've been a-[Bb]round  
Your love's [F] put me at the [Gm] top [C] of the [F] world
