

## Lady Willpower

INTO:     D                   A                   Bb    G  
          **if you will let me give you mi.....ne.**

G   A   D                   Em                   D                   A  
La -dy     Willpower,     it's now or never, give your love to me,  
          Bm                   C                   Bm                   A                   G///// ////  
and     I'll shower     your heart with tenderne....ss, endless-ly.

D                                   Em  
   I know you want to see me,     but you're afraid  
D                                   Em    F#m  
   of what I might have on my mind.  
G                                   Gm  
   One thing you can be sure of,     I'll take good care of your love,  
D                   A                   Bb    G  
   if you will let me give you mi.....ne.

G   A   D                   Em                   D                   A  
La-dy     Willpower,     it's now or never, give your love to me,  
          Bm                   C                   Bm                   A                   G///// ////  
and     I'll shower     your heart with tenderne....ss, endless-ly.

D                                   Em  
   Did no one ever tell you     the facts of life ?  
D                                   Em    F#m  
   Well, there's so much you have to learn.  
G                                   Gm  
   And I would gladly teach you,     if I could only reach you,  
D                   A                   Bb    G  
   and get your lovin' in retu.....rn.

G   A   D                   Em                   D                   A  
La-dy     Willpower,     it's now or never, give your love to me,  
          Bm                   C                   Bm                   A                   G///// /  
and     I'll shower     your heart with tenderne....ss, endless-ly.
